

In The Drawings:

Replacement sheets for Sheets 1, 2, 3, 12, 16, and 21 of the drawings are included herewith.

REMARKS

In the Notice of Allowance mailed 09/16/2008, the Examiner indicated a need for replacement sheets in the drawings for FIGS. 2-6, 16A-C, and 20A-B. In response, Applicants have submitted herewith replacement sheets for Sheets 1, 2, 3, 16, and 21 of the drawings that encompass FIGS. 2-6, 16A-C, and 20A-B.

In addition, Applicants have submitted a replacement sheet for Sheet 12 of the drawings to replace FIG. 13A on Sheet 12 with a FIG. 13A of much better clarity.

In the Notice of Allowance mailed 09/16/2008, the Examiner indicated a possible need for replacement sheets in the drawings for FIG. 19F, stating: "Figure 19F appears to be blank for elements 2270-2275, which are referenced in the Specification at p. 19-20, therefore a replacement drawing may be required". In response, Applicants respectfully note that elements 2270-2275 in FIG. 19F serve to identify the structure (records, cells, bottom footer part, top header part, middle body part) of table 2270 and thus appear in FIG. 19F as intended.

CONCLUSION

If the Examiner has any questions, Applicants invite the Examiner to contact the Applicants' representative at the telephone number listed below. The Director is hereby authorized to charge and/or credit Deposit Account 09-0457 (IBM).
